August 2014

Hi Everyone!

I really want to thank everyone for all their hard work and support this 2014 Swim Season, without all of us working together Southgate would not be the wonderful place it is today.

This year has really proven to be successful; our membership at last count was 103 families! This is all because of members reaching out to other families and introducing them to Southgate. We also had many members join that came to one of our many community events and parties that were hosted at the club.

I also want to thank our Family Fun Club for all the time they put in to bringing fun events to Southgate Swim Club; Movie & Night Swim, Bingo and Night Swim, Easter Egg Hunts and our last event the Salsa Contest and Night Swim. It's wonderful to see everyone come together to relax, enjoy and meet other members and people in the community. Our next event is Bingo Night on August 23rd! We will also have night swim available! Please note that these events are open to EVERYONE, so feel free to invite friends, family, and neighbors. We will also have dinner available for purchase.

Please note our pool hours have changed. With the Hayward School District starting earlier, we needed to shorten a few of the last days (since our guards will be back in school). We did not want to close the pool completely so the guards were gracious to be willing to work a few hours after school!

Enjoy this edition of The Splash and enjoy the last days of summer to the fullest!

Sincerely,  
Tracy Diaz-Dominguez  
President

# New Club Hours

The sad truth is that summer is winding down and school will be starting soon. With that, the Club is changing the hours. Please make a note of the new hours below.

Everyday thru Wednesday, August 20th ~ 1:00pm to 7:00pm

August 21st & 22nd ~ 4:00pm to 7:00pm

August 23rd & 24th ~ 1:00pm to 7:00pm

August 25th to August 29th ~ 4:00pm to 7:00pm

August 30th to September 1st ~ 12:00pm to 6:00pm

After Labor Day we will be open weekends only from 12:00pm to 6:00pm until September 28th. If we have a "hot" spell during September we will open during the week from 4:00pm to 7:00pm depending on lifeguard availability only. We will send an email to all members if we open during the week.

## Attention Members

Have you ever thought about how the pool is run? Well, here is your opportunity to learn. Southgate Swim Club will be holding Board elections for the 2015 Season in September. There are many benefits in having a board position. You will see the in's and out's of running the club, meeting new people and making new friends. The most important is you receive a discount on your yearly dues! If you are interested in joining the Southgate Board, watch for an email with more information or contact any current Board Member.

## Water Shortage

As many of you know, California is in a horrible situation. The drought has caused everyone of us to re-think how we use our water. Southgate is no different. We have asked that all members please be aware of your water usage at the pool. The biggest water waste is the shower. Maintenance has turned off the hot water. On hot days it might feel warm water while using it, but that is only because of the weather. We are asking that you keep your usage of the shower to 30 seconds and **ONLY** rinse off. Do not use soap or shampoo while using the pool shower. If we all do our part, hopefully Southgate will not be fined for extensive water usage. Thank you all for understanding.
